Mr. Peh Jefferson Tun Lu

Mr. Mak Wing Sum, Alvin

Notes:

- i. Gross Merchandise Value (“GMV”) on Order Intake represents the total gross sales dollar value for merchandise sold through a particular marketplace over a certain timeframe, before deduction of any discount offered by the marketplace, rebate used, cancellation and returns of merchandise sold.
- ii. Monthly active App user data is extracted from Google Analytics and rounded to the nearest thousand, the computation method and basis of which have not been verified. In general, the data for App users could be overlapping if the user re-installs HKTVmall Main App or Lite App on the same device or amends the advertising ID of its device, or uses multiple devices, or uses both HKTVmall Main App and Lite App in the same month. The information for the same period can be changed at different points of time when capturing the data as Google Analytics performs the analysis on a sampling basis. According to Google Analytics, “active user” is defined as the unique user who initiated sessions on the App within the selected date range.
