

HKTV Blood Donation Day

HKTV is always active in spreading love and care to our community through various practical actions. We also encourage our Talents to take the initiative to help those in need. The Group collaborated with the mobile blood donation team from Hong Kong Red Cross Blood Transfusion Service and hosted the HKTV Blood Donation Day at our Tseung Kwan O headquarters, encouraging every HKTVer to "save lives by giving blood" together. That day, 73 Talents joined the activity, saving lives in actions with the selfless hearts.
