HKTVMall x Vitasoy - Clean Carton Recycling Campaign

HKTVMall, EcoMart by HKTVMall, and Vitasoy have jointly launched the "Clean Carton Recycling Campaign". Customers could collect clean paper cartons and bring them to the designated HKTVMall O2O stores for recycling, where they can redeem gifts and coupons based on the number of cartons recycled.

We hope the rewards would provide incentives to customers to join us in practising a sustainable lifestyle and contributing to sustainability, thereby promoting environmental awareness.
