

HKTV Talents Joined Make-A-Wish Hong Kong Flag Day 2023

HKTV is always trying to fill love and care into society by taking action to contribute to the community.

We gathered some Talents and their families and friends to join Make-A-Wish Hong Kong's Flag Day 2023 on 12th Aug 2023 to support the services of Make-A-Wish Hong Kong in creating life-changing wishes for children with critical illnesses, bringing a transformative impact to the children, as well as positivity and happiness to them and their families.
