

HKTVMall O2O stores switched to e-receipts

To minimise waste, HKTVMall O2O stores switched to e-receipt.

Customers who shop at HKTVMall O2O stores and present their membership QR codes will receive e-receipts in the "My Orders" in HKTVMall app.

In addition, all transactions made in HKTVMall will be clearly shown in the app, allowing customers to access them easily and bringing a better online shopping experience to our customers.
