

HKTV x Feeding Hong Kong - Fundraising Hike

HKTV always supports Feeding Hong Kong's mission of "bridging the gap between hunger and food waste". Therefore, we organized a fundraising hike, encouraging our Talents to show their care for the needs in action together with the Group.

We successfully gathered over 15 Talents to join the hike. Under the support of the other Talents and the Group, HKTV's volunteer team completed around 4KM of Dragon's Back Trail and donated all the funds raised to Feeding Hong Kong to support their services.
