

## HKTV x HKAKA - Elderly Visit

HKTV partnered with the Lam Ying Wo Elderly Neighbourhood Centre of the Aberdeen Kai-fong Association to organize an elderly visit.

HKTV Volunteer Team visited the centre to learn more about the services provided by the Association first, deepening their understanding of elderly visits. We then brought along gifts sponsored by our merchants to visit several seniors in person, bringing some small surprises to them.

HKTV spreads joy to the community by action, further promoting intergenerational inclusion while giving warmth.
