

## HKTV Blood Donation Day 2025

To support regular blood donation, the Group collaborated with the mobile blood donation team from the Hong Kong Red Cross Blood Transfusion Service to host HKTV Blood Donation Day at our Tseung Kwan O headquarters, allowing Talents to "save lives by giving blood" at the workplace!

Many Talents joined, and some of them also invited their teammates to donate blood together, which gave a big push for a few Talents to donate blood for the first time, saving lives in action with their selfless hearts!
