HKTVmall Self-owned eStore - GreenLab

HKTVmall launched a new self-operated online store, GreenLab, offering discounts of up to 70% off on products that are close to or passed their “Best Before” date but are still safe to consume, health supplements and beauty and skincare products that are still safe to use, as well as items with minor flaws, providing 300+ product options, including snacks, drinks, seasonings, canned goods, as well as personal care, skincare and cosmetics, household cleaning, and daily essentials.

All products are directly sourced by HKTVmall from merchants and suppliers, with strict quality control to ensure safe consumption or use.
